

Dear F.B.I. Director Christopher A. Wray, my name is William E. Parrott from 122 Walker Lane Whitesburg Tn. 37891. I'm writing this letter to ask for your help. I have been stalked and tortured for about thirty-nine years by Jimmy Ray Roberts and his half brother Gerry Roberts along with their sons, James Roberts Jr, James Roberts the third along with their half-brothers and cousins Curtis Roberts, Jerold Roberts, Keith Roberts and several other family members but I don't know all their names. All these folks live in the Knoxville and the Corrington Tennessee Area. I have included a copy of my blog that I have on line for the whole world to see that explains my story in a little better detail and a copy of my work history that can be cross referenced with the Roberts family's tax receipts for their hotels, gas and other deductions that they used while they were stalking me across the United States since June 28 2006 up to this year. I'm a long-haul truck driver and I have been driving Americas and Canadas roads and highways for approximately thirty-five years. The Roberts family are CIA contractors and are using ELF extreme low frequency microwave computers on me and my family to test the equipment and train other CIA contractors. Sometimes I get the eerie feeling that they enjoy hurting me and everyone that I love and encounter. I truly believe they are evil. This technology is a mind reading device and it also can cause a lot of pain and even death. I have written several letters to the F.B.I. in Johnson City Tn., Knoxville Tn, Nashville Tn. And Robert Mueller in Washington D.C. but nobody has offered to write me back. I don't understand, there is a mountain of evidence along with several eye witness from my National Guard unit from back in the early eighties and everyone that I ask for help ignores me and keeps letting the Roberts family torture my family and me. I know deep in my heart and with the experience that has been forced on me that all or most mass shootings is the direct result of this technology. If you use the overwhelming evidence to help my family and me, you would be helping the whole targeted individual community and potential future mass shooting victims. There are hundreds of targeted individual victims in our country and other countries that don't have any evidence to prove their stories and I'm sure I'm not the first targeted individual to ask you and other Government officials for your help. I am going to send you copies of several DVD's of other targeted individuals that you can view on your computer to see the pain and frustration that our fellow humans are having to endure so that some sick individuals can get their jollies.

Thank you for all you do. Sincerely William E. Parrott
