Dear Attorney General and reporter for the State of Tennessee Herbert H. Slater III, my name is William Eugene Parrott of _____ I wrote you a letter back on August 18, 2018 and sent it certified mail asking for your help because I am a targeted individual and I have been targeted by CIA contractors Jim R Roberts and his son James Roberts JR. of Corrington Tn. Along with several half-brothers, cousins and grandchildren that live in Knoxville Tn. And nearby cities. I haven't received a reply from you or your office yet. I have recently acquired my work history from June 29th, 2006 up to August of 2018. It shows every city and date that I've either delivered to or picked up a load from. You can cross reference that information with the Roberts family's credit cards, credit reports and their income tax receipts to prove that they are or was targeting and stalking me for at least that amount of time, but the targeting and stalking began way back in 1979. I have been driving tractor trailers for thirty-five years and you shouldn't have any problem getting enough evidence for several convictions. like all contractors they must file their taxes every quarter and claim all the travel expenses that they incur along the way like hotel rooms, gas, food and car payments to get a tax write off. I promise that I'm not trying to waste your time, all I want is justice for my family and me and all the innocent men, women and children that the Roberts Family has killed or crippled testing those extreme low frequency microwave computers on the American public. They are mind reading devices. I'm going to include my blog that explains my story in a little better way and I'm going to resend a copy of the letter I sent you back on August 18th just in case the original got lost. Thanks in advance for your help. Sincerely William E. Parrott My phone number and e-mail address is _____, _____ wmparrott8@gmail.com
